

EDEN GEBREZGI

CREATIVE PRODUCTION | STORYTELLING | PROJECT COORDINATION

Cambridge, MA | 857-425-6030 | edengebrezgi@gmail.com | linkedin.com/in/eden-gebrezgi

PROFILE

Creative storyteller and project coordinator transitioning into animation production. Experienced in keeping projects organized, tracking details, supporting remote teams, and communicating across changing priorities, with a creative background in story, character development, performance, and original concept development.

PRODUCTION + PROJECT EXPERIENCE

Wingman Technology 2026 - Present

Administrative Operations Coordinator

Coordinate schedules, documentation, follow-up, service needs, and cross-team communication across multiple projects and changing priorities.
Track deliverables, materials, project details, and field-team information while keeping managers aligned.

Defense Unicorns 2021 - 2024

Software Engineering / Project Support | Remote

Supported distributed teams through project documentation, status tracking, deadlines, testing, and technical collaboration while communicating blockers and changes clearly.

Eritrean Community Center / Adal School 2026

Scratch Programming Instructor

Lead creative coding, game, and animation-based projects for children ages 6 - 12; prepare materials and guide projects from idea to completion.

CREATIVE + STORY WORK

4TYPE Creator | Animated Project in Development

Original animation concept exploring identity, textured hair, beauty, social pressure, and belonging.

Story concept | Character development | Visual storytelling
